Notes on this transcription

- **Objective paper not included.** Only the subjective half of this paper was available. Send the objective sheet and it can be added.
- Typeset by Tayarri from the printed 2022 Gujranwala Board paper. Question wording and numbering follow the source exactly. No answer key is included.
- The source is an "UNSOLVED" guide reprint rather than an original board sheet, so no paper code is printed on it.
- **Q.7(a):** the third line of the Shelley extract is set from the standard published wording of "Ozymandias" ("The lone and level sands..."); the source watermark sits over that word in the scan.
- **Q.7(b) and Q.8:** the unpunctuated extract and the translation passage are reproduced exactly as printed, including "Mos of them" and the lower-case opening, which are in the source.
