Notes on this transcription

- Subjective paper not included.** Only the objective half of this paper was available. Send the subjective sheet and it can be added.
- Typeset by Tayarri from the printed 2024 Peshawar Board paper (original board sheet). Question wording, numbering and option order follow the source exactly.
- The sheets are marked “SLO Based” — the student-learning-outcome pattern Peshawar Board moved to — and carry the paper reference printed in the header above.
- The source sheet has the correct answers already shaded in. No answer key is reproduced here — the options are given unmarked, as a student would receive them.
- These sheets carry no group label, so the PDFs are filed without one.
- Q.13:** the source reads “District”; the options fit “Distract”. Kept as printed.
- Board wording kept verbatim: “The two Bargain” (Q.11).
